Re: Letter of Guarantee
Out of the Shell, LLC d.b.a. Yangs 5th Taste

Dear Kyle Bussey,

Yangs has an established Hazard Analysis and Critical Control Point (HACCP) plan which is based upon principles and requirements established by the USDA, AMS, and local health department. All current manufacturing procedures and practices are being followed to meet all food safety requirements. Yangs owns and operates all production facilities and freezers used to fulfill all contracts and no subcontractors are used. We take all necessary steps to ensure our warehouse facilities and vehicles safely and securely store and transport products. We ensure our products remain frozen at a uniform temperature of 0 degrees Fahrenheit or lower, until time of delivery. Yangs agrees to warrant food-safety, product availability, and product wholesomeness. We are prepared to follow established product recall procedures should there be a need for these procedures at any given time.

Please visit our website at www.Yangs5thTaste.com for further information regarding our products, or feel free to contact our toll-free customer service line at (855) 622-6380.

Sincerely,

A handwritten signature in cursive script that reads "Loree Erpelding".
