

## LETTER OF GUARANTEE

All products that **CMC Foods, Inc.** manufactures to the best of our knowledge fully comply with all relevant aspects of U.S. Food & Drug Administration, under the Food, Drug, and Cosmetic Act, requirements, Canadian Food and Drug Act and any other regulatory agencies that may have jurisdiction over these products. Furthermore, those products we distribute are manufactured in accordance with the Good Manufacturing Practices recognized for our industry.

Under no circumstances will the **CMC Foods, Inc.** ship products that we know, or suspect may pose a potential biological chemical, and /or physical hazard(s) to consumers. **CMC Foods, Inc.** will immediately notify you that the product shipped to your facility must be returned to our warehouse in the event that any cause for concern is discovered after delivery to your facility.

To the best of our knowledge all products are packaged in suitable materials which will withstand the stresses and conditions associated with normal and intended transit and storage. Packaging supplies or ingredients, when within our control, are stored and transported under conditions that prevent the following:

1. Chemical contamination from pesticides, toxic elements, and radioactive compounds
2. Food or color additives which are not approved from being used in amounts in excess of current F.D.A. regulations.
3. Degradation of the material from the elements or environments due to inadequate packaging or transportation conditions.

Product specification sheets as well as S.D.S. sheets are available upon request. We recognize that as part of your standard operating procedures you are to monitor the prevention of cross contamination from unsanitary objects relating to food packaging material. Questions and comment regarding compliance should be directed to the address and telephone number above.
