

MARKETPLACE
DELI PRODUCTS, INC.

January 1, 2021

CONTINUING GUARANTEE

To Whom It May Concern;

MARKETPLACE DELI PRODUCTS, INC. guarantees all products offered and put into commerce will be properly labeled and un-adulterated as required by federal code. As evidence of the MARKETPLACE DELI PRODUCTS, INC. commitment to food safety we offer this letter of continuing guarantee.

MARKETPLACE DELI PRODUCTS, INC. is a federally inspected food products manufacturer, (USDA Est. 21924, P21924, 17339 and P17339). All amenable products manufactured by MARKETPLACE DELI PRODUCTS, INC. are in compliance with the code requirements as specified in 9CFR 304.3 and 381.2.

Further, MARKETPLACE DELI PRODUCTS, INC. has fully implemented the HACCP requirements set forth by federal regulation in 9CFR 417.4 (a) including routine reassessments to assure compliance with changing requirements. Implementation of the required and appropriate HACCP Plans includes routine testing for E.coli 0157:H7 for beef products raw non-intact and routine environmental testing of both “not ready to eat” and “ready to eat” surfaces in the plants as a measure to control Listeria bacteria.

MARKETPLACE DELI PRODUCTS, INC. requires suppliers of raw intact beef raw materials to provide letters outlining their BSE / SRM mitigation programs.

Thank You.

Sincerely,

David A. Fisher
President
