Re: letter of Guarantee from Establishment 2727

This is to confirm that Home Market Foods products are in accordance with United States Department of Agriculture (USDA) Guidelines, have a Hazard Analysis Critical Control Point (HACCP Plan), and are made under the rules that govern the program. All products manufactured by Home Market Foods are cooked to the lethality levels that comply with FSIS guidelines. In the event of any deviations from these specifications, the customer will be notified prior to shipping.

Re: Country of Origin of Raw Material

Home Market Foods Inc. purchases its raw material from approved suppliers whose processing plants are located in the following countries: United States, Canada and Australia.

Sincerely,
