**GENERAL LETTER OF GUARANTEE  
& SAFETY DATA SHEET STATEMENT**

**Date:** November 2<sup>nd</sup>, 2021

To whom it may concern,

The articles comprising each shipment or other delivery hereafter made by White Toque, LLC. to, or in the order of **ALPINE FOOD DISTRIBUTION, INC.** including but not limited to the following:

Item#	Item name
40201	WT Artichoke Quarters Egypt 1/22lb

are hereby guaranteed, as of the date of such shipment or delivery, to be, on such date, not adulterated or misbranded within the meaning of the Federal Food, Drug, and Cosmetic Act, and not an article which may not, under the provisions of Section 404, 505, or 512 of the Act, be introduced into interstate commerce. Also, our products are packaged under strict guideline of HACCP and FDA regulations.

Our products do not fall within the category of "hazardous chemicals" as that term is defined in the Occupational Safety and Health Administration Hazard Communication Standard, (HCS) 29 CFR 1910.1200. Moreover, the special labeling and warning required under the OSHA Rule are not required for this product because "food," as that term is defined under the Federal Food, Drug and Cosmetic Act, is exempt from these special provisions of the OSHA Rule.

Accordingly, neither "Safety Data Sheets" nor special labeling under the OSHA Rule is required as there is no potential for worker exposure to any health or physical hazard (as defined in Appendix A of the standard).

Finally, our products listed above comply with the 21 CFR 172.515 Food Additive Regulation, as they do not contain any additives.

Sincerely,

Keisha N'GBANZO
