

Continuing Guaranty and Products Liability Indemnity

For the purpose of 21 USC 333, Federal Food, Drug, and Cosmetic Act (the "Act"), the undersigned hereby guarantees that the articles comprising each shipment or other delivery to you as of the date of such shipment or delivery, will not be adulterated or misbranded within the meaning of said Act, or within the meaning of any applicable state or municipal law in which the definitions of "adulteration" and "misbranding" are substantially the same as those contained in said Act, as such laws are constituted and effective at the time of such shipment or delivery, nor will it be an article which may not under the provisions of the said Federal Act be introduced into interstate commerce. The undersigned further guarantees that such article will not bear or contain any food additive, pesticide or other substance as of the date of such shipment or delivery which is unsafe within the meaning of the Act, including all revisions and amendments pertaining thereto.

This guaranty shall be a continuing guaranty and shall be binding upon the undersigned with respect to all such articles shipped or delivered to you by the undersigned (including goods in transit) before the receipt by you of written notice of the revocation thereof.

The undersigned further agrees to indemnify and hold you harmless from and against any and all claims, suits, and judgments for property damage, bodily injury, or death arising out of or in connection with said products which are attributable to negligent acts or omissions or willful misconduct of the undersigned, and against and from the expense of defending such claims and suits, including court costs, attorney's fees, and other expenses arising therefrom.

All previous guaranties given by Rich Products Corporation under the Act or any other similar law and relating to articles intended for use in food and drugs and all indemnifications relating thereto are hereby revoked as of the date of receipt by you of this notice.
