

LYONS

JUICE CONCENTRATES

Introducing Lyons Concentrates, a refreshing lineup of Lemonade, Orange Juice, and Apple Juice concentrates designed for discerning food distributors. These premium concentrates are crafted to deliver exceptional taste and quality. Lyons Lemonade Concentrate offers a zesty and invigorating citrus experience, while the Orange Juice Concentrate provides a burst of tangy sweetness. For a naturally refreshing option, the Apple Juice Concentrate is a perfect choice. These versatile concentrates can be easily transformed into delicious beverages, cocktails, or used as flavor enhancers. Elevate your beverage offerings with Lyons Concentrates and delight customers with their irresistible flavors.

JUICE CONCENTRATES

LYONS

FEATURES & BENEFITS

- Lyons frozen juice concentrates offer a hassle-free solution for preparing refreshing beverages in your restaurant. They are pre-measured and concentrated, saving you time and effort in measuring and mixing individual ingredients.
- With Lyons frozen juice concentrates, you can create a wide variety of beverages to cater to different tastes and preferences.
- Using frozen juice concentrates can be more cost-effective compared to purchasing fresh fruits and juicing them on-site. Lyons concentrates allow you to stretch your budget further while still delivering high-quality beverages to your customers.
- Frozen juice concentrates have a longer shelf life compared to fresh fruits, making them a practical choice for restaurants. You can stock up on Lyons concentrates without worrying about spoilage, reducing waste and minimizing product loss.
