PORTION CONTROL CONDIMENTS

FEATURES & BENEFITS

- With P/C pouches, customers will get the same amount every time giving you better inventory control
- P/C pouches give your customers a better experience, allowing them to enjoy their favorite condiments with to-go orders
- P/C Pouches can reduce spoilage and food waste compared to large multi-serving containers
- Save time by simply including P/C pouches in to-go orders
- Avoid soggy to-go orders by providing condiments in P/C pouches rather than applying directly on the food during prep
