

JAM & JELLY

Add convenience, customizability, and delicious flavor with Welch's jams and jellies! Perfect for operators serving customers who eat on-site or on-the-go. Welch's Jam and Jellies are available in both portion-controlled cups and pouches- with varieties including Welch's signature Concord Grape flavor, as well as Strawberry, Apple and Mixed Fruit. Reduced Calorie options are available as well.

JAM & JELLY

FEATURES & BENEFITS

- With P/C pouches, customers will get the same amount every time giving you better inventory control
- P/C pouches give your customers a better experience, allowing them to enjoy their favorite condiments with to-go orders
- P/C Pouches can reduce spoilage and food waste compared to large multi-serving containers
- Save time by simply including P/C pouches in to-go orders
- Avoid soggy to-go orders by providing condiments in P/C pouches rather than applying directly on the food during prep
